BENEFITTING:

AND OTHER GREAT LOCAL KIDS CHARITIES

Registration Process

Step One:

As in the past, team captains will complete our roster form with their projected roster. This form will be shared with captains in your level and any issues will be discussed.

Step Two:

All teams are listed on the website. Captains can encourage their players to register online. Alternatively, BOL will use this form to contact players, inviting them to register for the event.

Registration Fee:

We are asking for each fulltime player to pay a \$150 registration fee. The total of player registrations will cover all of the costs to present the tournament. This will result in 100% of all sponsorship payments and donations will be used to support the benefitting charities.

Additionally, players will be asked to set a minimum fundraising goal of \$350 (not including registration fees). As in the past players can solicit online donations, secure sponsorships, sell raffle tickets and/or donate items for the silent auction to help reach their fundraising goals.

We will have a process for players to register now and pay the registration fee later, or via check or other payment method. Any player wishing to do this just needs to contact Jeff Yule at (518) 364-5461 or via email at jyule@buildingonlove.org

The online registration form will also ask players to provide a current USA Hockey # at the time of registration. The current valid USA Hockey number for registration for the 2025-2026 season has a "6" as the fourth digit.

If you do not have a 2025-26 registration, it is best to wait until April 2, 2026, to register. This will register you for the 26-27 season and will allow you to use this # for the 2025 and 2027 Capital Cup for Kids.
